SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, dizziness, dullness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve fluid or force. This is likewise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying cut. The fibers are the nerves which convey the nerve force from the nerve centers to every part of the body, just as the telegraph wires carry messages along the telegraph wires to every station, large or small. Ordinary physicians fail to recognize this fact instead of trying to cure the nerve centers for the cures of the disease arising therefrom they treat the parts affected.

Franklin Miles, M. D., LL. B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on his subjects, has since recognized the truth of the first "Restorative." Nervine is prepared on that principle. Its success in curing all diseases existing from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonies in possession of the company manufacturing it clearly amply prove.

In Miles' "Restorative" Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, dizziness, hysteria, sexual debility, sciatica, rheumatism, epilepsy, etc. It is sold by all druggists on a positive guarantee, or send for the "Restorative," Miles' Nervine, in large bottles, in view of price, \$1 per bottle, six bottles for \$5, express prepaid. Restorative Nervine positively contains no opium or dangerous drugs.
